Meath County Council
Renewable Energy Directive III (RED III) Development

We, Astro Storage Limited, intend to apply for a 10-year planning permission for development at this site located within the townland of Martinstown, Athboy, County Meath. The development will consist of a 10-year permission for the construction of a Battery Energy Storage System (BESS) on a site of approximately 1.34 hectares. It will comprise 24 no. battery energy storage system units, 6 no. transformers, 1 no. control room, 1 no. switchgear, 1 no. storage container, 2 no. water tanks, underground cabling (including a 33 kV grid connection cable from the on-site switchgear to the substation serving the adjacent Martinstown Solar Farm (Planning reference: KA161319)), fencing with access gates, 3 no. closed-circuit television (CCTV) posts, 5 no. lighting posts, 1 no. temporary construction compound, new and upgraded access tracks, and associated landscaping and ancillary works. Access to the Application Site will be provided from an existing access point off the L8005, located to the north of the Application Site. The access point will be upgraded to facilitate safe entry and exit for traffic. The development will have an operational capacity of up to 20-megawatt peak and is designed to have an operational lifetime of 40 years. A Natura Impact Statement (NIS) has been prepared and accompanies the planning application.

This development is covered by the provisions of the Renewable Energy Directive III (Directive (EU) 2023/2413) and it is important to note that the planning application may be subject to section 34D of the Planning and Development Act 2000, as amended. When a notice issues in accordance with section 34D(b), the provisions of article 26A of the Planning and Development Regulations 2001 to 2025 shall apply. The planning application and NIS may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority during its public opening hours.

A submission or observation in relation to the application may be made in writing to the Planning Authority on payment of the prescribed fee, €20, within the period of- (a) [X] 5 weeks, or (b) 2 weeks, in the case of a planning application for small-scale solar energy equipment development or development that is the installation of a small-scale non-ground source heat pump, beginning on the date of receipt by the authority of the application, and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.

LOUTH COUNTY COUNCIL - Planning permission is sought by Ravala Limited for a development at lands located north of Beaulieu Village and east of Aston Village, at North Commons, Drogheda, Co. Louth. The proposed development consists of:
